

To whom it may concern:

We at Campbell Salgado Studio are interested in supporting your organization's fundraising efforts and want to do our part to make it a success.

We would like to offer you three different options for our non-cash donation.

**A complimentary photo session** (valued at \$199): We just ask that you place our promotional cards next to gift certificate in silent auction or raffle. We will mail this item to you upon request.

**A \$300 gift certificate:** May be used on either our Original Portraits™ - *Signature Series* or *Vignettes*™ photo sitting fee and printed portraits. **Available for silent auctions** when a display photo is picked up from our studio and placed next to item in the silent auction (along with promotional cards) and returned the following week.

**A \$700+ value gift certificate:** This certificate may be used on an Original Portraits™ - *Signature Series* photo sitting fee and the winners choice of an unmatted 16 x 20 or matted 11 x 14 gallery portrait and digital social media image (valued over \$700). **Available for Live/Oral auctions only** with an actual display photo or slide show image being used in conjunction with gift certificate. Digital images are available via web link.

If the dollar amount of our donation is not large enough to qualify, perhaps our item may be combined with a couple other family-friendly donations to make a wonderful gift package for a family – like a family dinner, haircuts or makeovers.

The \$300 & \$700 value gift certificates and display photos are ready 1 week prior to auction pick-up by calling the studio to request. The gift certificates expire six months from the auction and may not be combined with any promotional offers or specials. The winner must call to validate their gift certificate within one week of the auction.

We wish you an event that surpasses your goals and provides far-reaching assistance to our community.

Sincerely,

Katy Paul
